

VAN GOGH MUSEUM

A photograph of the Van Gogh Museum building facade. The building is constructed of dark brown bricks. The name "VAN GOGH MUSEUM" is mounted on the wall in large, green, three-dimensional block letters. A white gutter runs horizontally across the lower part of the brick wall. A small, dark, square light fixture is mounted on the wall to the left of the gutter. The sky is a clear, pale blue. A person is visible on the roofline near the top right corner of the building.
